Group Activities

Common Work

Out Come 01

Households in target communities have achieved food security and improved nutrition

- Activity 1 (Establishment of DC level Knowledge/Information Centers)
- Information sharing (e.g. Village Knowledge Centers, extension services, etc.) and Village level Demonstration Farms established
- Establishment of Demonstration farms and Village Resource persons
- Activity 1 (Capacity building of Farmer Households)
- Establishment of Home Gardens
- Establishment of Plant nurseries
- Training and material input on Livestock Rearing
- Training on Beekeeping
- Visibility and Communication

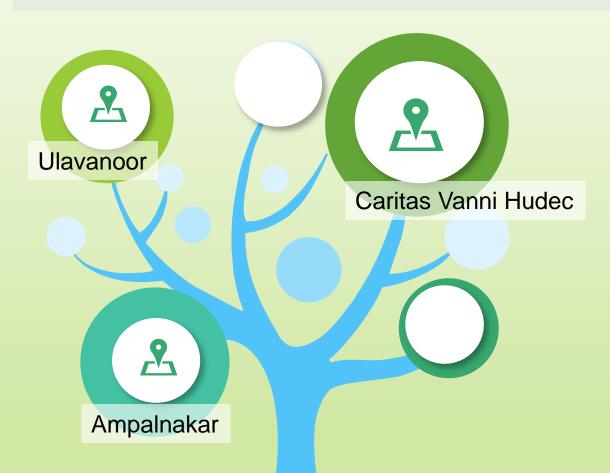

Out Come 01

- Training on Sustainable Agricultural techniques to PWDs)
- Training on pond fish culture)
- Stocking fingerlings to the pond and Seasonal Tanks)
- Training on Sustainable Agricultural Practices to Youth)
- Training on Sustainable Agricultural techniques for School Children)
- Training on Family nutrition
- Training on Nutrition program for Mothers)
- Program Results Ensured and Program Monitoring strengthened
- Smallholder farmers (male and female) provided their agricultural surplus to local pre schools (directly or indirectly).
